Numbered dates are days school is in session

The school district has two options for dealing with inclement weather, E-Learning Days and Canceling school. We have 5 E-Learning days to be used when staff can attend but it's not safe for students. If the weather is extreme enough that it is not safe for anyone to travel, school will be canceled. Days that are canceled will be made up at the end of the school year by extending to June 6, and beyond for each day missed. If no snow days are used, June 3 will be the last day of school for students with teacher workshop on June 6.

Late Starts, Early Outs, and Closings

Throughout the year there will be days when, due to inclement weather, school is delayed, dismissed early, or closed for the day. Delays or closings may be announced as late as 6:15 AM. We will be using our calling system, Campus Messenger, to announce changes in the school schedule due to weather. We typically also post announcements on: Channel 4 WCCO (830 AM), Channel 11 KARE TV, Channel 5 KSTP, Channel 9 FOX, and KDUZ (1260 AM). For more information on the Campus Messenger system please contact one of the school offices.

Minnesota weather is highly variable and changes quickly. There are days when it is clear at 6:15 AM and foggy at 6:45 AM. Weather and road conditions also vary widely around the 186 square miles of the district. Although we attend to weather conditions closely you may consider the conditions at your location unsafe for your children. Additionally, your child may have an early morning practice or commitment at school, that occurs before a delay or closure is announced. **Ultimately, it is the responsibility of parents to send their children to school, or keep them home, when the weather is inclement. If you don't think it is safe to send your child to school, don't send them.**
